Re: Accessways(Shane-Seacliff & Chiat-Wildman)  
27398-400 PCH, 27900-10 PCH.

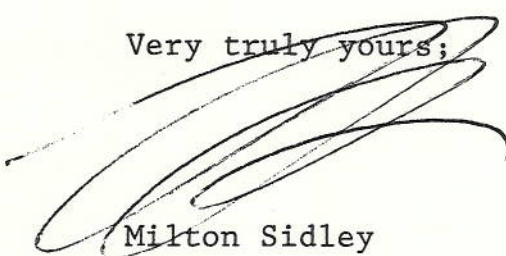

Dear Chairperson Allen;

I am writing to urge the California Coastal Conservancy to accept the offers to dedicate two beach accessways, 27398-400 PCH(Shane-Seacliff) Escondido Beach and 27900-10 PCH(Chiat-Wildman) Escondido Beach. It is incumbent on you to follow through with the dedication and construction of the accessway at 27900-10PCH(Chiat-Wildman).

The Conservancy has an agreement with and an obligation to the citizens of the state of California to make the areas open to public use. I am a resident of the area and have always resented the fact that these accessways are closed and sealed to the public which means me.

I assume that it will not be necessary to take any legal action to compel the action which should have been taken many years ago.

Very truly yours;

  
Milton Sidney
